This Is a Man's Store.

and why shouldn't men come here to trade? Our assortments in men's wear are larger and more varied than those of the exclusive furnishing stores.

The illusion, if there ever was one, has long been destroyed about men buying their wearables at a department store.

Our standards may be judged from the following well known lines, viz.:

Alfred Benjamin & Co's. Clothing
"Hawes" Hats
Taylor-Made Shoes
Faultless Shirts
Dent's Gloves
Bonbon Underwear

all standard and high-class lines, always complete in variety and sizes. Join the crowd to-day.

COOL SUITS
 of
COAT and PANTS
 At \$5 to \$12.

Yes, you need one and you should buy it here. You really don't know what comfort is, 'till you've slipped on one of those Gray Home-spun coats, without lining. Shoulders are padded, not too much, and hair cloth fronts will keep them from sagging.

Pants made, comfortable, too. Cut full and roomy, with turn up bottoms and belt loops. We've the new colors here, waiting for the word from you. Try a 2 piece suit.

New Straw Shapes

The shape taken to by the city chaps is a small one—high crown and narrow brim. Of course it's here, and has been all season. Will just suit the young fellow who wants to be tuned up to the proper key.
 \$1.50, \$2 and \$2.50.

Surplice neck, full length, and a pretty colored initial goes with each one, which serves as a laundry mark.

The Hartley Standard Means Either Better Quality or Lower Prices.

There's No Let Up to the Interest Displayed in the Great Wash Goods Sale.

We know that other stores throughout the country bought more largely of the stock of Sweetser, Pembroke & Co., but they couldn't possibly sell it any faster than has this store the last three days. 24,000 yards is a good many; equal to 2,000 dresses of 12 yards each. That constituted the stock when put on sale Wednesday morning. It's already lessened by several thousand yards, and we do not expect to have a yard of it left a week from now.

That may sound a little too good to be true to some of you, but we assure you the statement is founded on facts, to which the last three days selling give mute testimony.

If You Would Share In the Offerings By All Means Come To-day.

Also Remnants of Wash Goods, Bought at Auction and Sold at Auction Prices.

WE WONDER

We wonder if our daily announcements are read.

We wonder if people think we advertise, merely to see our name in the paper.

We wonder if they know that we have a far better store than our advertising would lead them to believe.

We wonder if they know that the best things are always advertised the strongest, and just the minute something new arrives, they are told of it in the newspapers.

We wonder, if our advertising doesn't pay, what can be done to make it.

We wonder if anybody else will wonder.

SOCIETY**PRESIDENT'S NIECE TO WED.**

Attorney General Knox Will Entertain Mr. and Mrs. Roosevelt Over Sunday.

WASHINGTON, D. C., June 18.—President and Mrs. Roosevelt and Miss Carrow, accompanied by Assistant Secretary Barnes, quietly stole away from the Capital last night to attend the wedding of the President's niece at Hyde Park, N. Y., which takes place at noon to-day. The utmost secrecy was maintained regarding the President's trip, the fact that he was going being withheld until the last moment. His private car was attached to the regular 10 o'clock Pennsylvania train. After Miss Helen Roosevelt becomes Mrs. Theodore Douglass Robinson to-day, the Presidential party will start on the homeward trip, and expect to reach Valley Forge, Pa., late this evening, where they will be welcomed by Attorney General Knox. Mr. Knox has a fine country place at Valley Forge which is said to have been used as headquarters by General Washington when the Continental army was stationed there. President and Mrs. Roosevelt will spend Sunday as guests of Mr. and Mrs. Knox, and early Monday morning will return to Washington.

A DELIGHTFUL EVENING.

The Y. M. C. A. Anniversary Was Very Successful—Secretary Hawley is Receiving Many Congratulations.

A large number of people attended the first anniversary of the local Y. M. C. A. last evening. Secretary Hawley and the committee in charge left nothing undone to make the undertaking a success. All parts of the present rooms were thrown open to the public and many who had not been there before attended last evening. The rooms were beautifully decorated and excellent music was furnished by MacArthur's orchestra. The Ladies' Auxiliary was present, and served the refreshments, which were delicious. The plans of the new building were inspected by many, and all agreed that it will be what is needed very much. Various games were entered

into and everybody was sociable.

The financial and statistical statement for the year was handed to those present, and it shows that something has been done in the past year. The total receipts for the year were \$4,715.35. Of this the young men paid a great deal. They paid \$1,663 as compared with \$1,073 paid by the business men. This shows that the organization is in the main kept up by young men. The expenses for the year were \$4,665.80, leaving a balance in the treasury of only \$49.55. This means that more money must come in soon. The membership for the year was 368 and the number of periodicals in the reading room was 42, with an average daily attendance of readers of 32. Many religious meetings have been held and the gymnasium has given much benefit to our young people. Last evening was the seventh social entertainment, and the total attendance has been over 2,500.

The people are beginning to appreciate the good work being done by this organization, and are coming to its aid. Secretary Hawley deserves great praise for the way in which he is conducting the institution. He has had a great deal of experience in the work and has made many improvements in the arrangements since coming here.

Vandals at Salem.

CLARKSBURG, June 18.—There is complaint that vandals are robbing the Odd Fellows' cemetery at Salem of flowers, and the superintendent has been compelled to issue public notice against them, with the threat that if they keep it up, they will be prosecuted to the full extent of the law.

A Popular Place.

Traction park is fast becoming a dancing center. The Fortnightly Club and the crowd who attended the dance given there Thursday evening have secured a date for next Friday evening. Some evening next week the Lotus Club, of Monongah, will hold a dance and several others have spoken for dates.

Sunday Concerts.

Commencing June 26th, MacArthur's orchestra will give concerts every Sunday from three to five o'clock at East Fairmont park. These concerts are guaranteed to be moral in every respect and will be worth hearing.

NOTICE—I will sell you millinery at your own price June 11, 1904. Call and see me. Mrs. Laura Frazer, 423 Jackson street.

FAIRMONT THE CENTER

Hurrah For the Glorious Fourth of July!

Fairmont is the natural center of a great population. It is practically the same distance from the cities of Mannington, Morgantown, Grafton and Clarksburg, all reached by railroad—Fairmont being the hub of a great wheel—the spokes of which reach out to these cities—and on beyond out into the great industrial world. And between Fairmont and these cities are located many towns and villages all centering toward Fairmont. On the road to Mannington, we have Barracksville, Farmington and Downs; toward Grafton is Colfax, Kingmont, Valley Falls, Hammond and Fetterman; toward Morgantown, Rivesville, Montana, Catawba, Opekiska, Murray, Little Falls and Uffington; and to Clarksburg, Monongah, Worthington, Enterprise, Shinnston and Lumberport and many others.

From this it will be seen that the place with the greatest facilities for gathering is Fairmont, it being the natural center of this great territory. The Traction Park people propose to make it the center of attraction on the Fourth of July, by having the greatest line of amusements ever brought to this part of the State. The committees appointed to secure attractions, are busily engaged looking after their part of the work, and the Park people are putting forth every effort to have everything in readiness to take care of the people and show them the greatest day of their lives.

Don't make any other arrangements, but go to Traction Park and see what they can do out there when they turn themselves loose.

Civil Engineer Hesse, of Fairmont, was here to-day on professional business in connection with the street car lines. Several extensions, it is reported, are contemplated, but nothing definite can be learned as yet. It is said one of these will be from Union land park to Grasselli, note of which was made by the Telegram some weeks ago. It will be a mile long.—Clarksburg Telegram.

Hammocks, lawn swings and porch seats are some the summer pleasures to be had at J. L. Hall's Hardware Store.

SEASON CLOSED

YESTERDAY CLOSED THE BASE BALL SEASON FOR THE WEST VIRGINIA UNIVERSITY.

ILLINOIS WON BY THE SMALL SCORE OF 1 TO 0—THE GAME WAS A GOOD ONE.

The base ball season at West Virginia University closed yesterday with the finest game of the season. The opponents of the Varsity were the team from the University of Illinois, the college champions of the West.

The game resulted in a victory for the latter by the close score of one to nothing. The pitching honors were about even, four hits being made off Pfesser, the Illinois pitcher, while Gronniger held the visitors down to five. Pfesser gave two bases on balls to Gronniger's none. Gronniger struck out nine men. Illinois went first to bat and managed to send a runner across the plate through an error, a hit and stupid playing on the part of the Varsity's first baseman. This was the only run of the game. West Virginia had several chances to score, but the necessary hit was not forthcoming. The feature of the game was the excellent work of Simmons and Cole, the Varsity's left and centre fielders, both pulling down seemingly safe hits. The visitors' work was that of professionals. When it is noted that Illinois has won 27 out of 30 games this season, the work of the Varsity against them can be readily appreciated. Following is the score:

Illinois 1 0 0 0 0 0 0 0—1
 W. V. U. 0 0 0 0 0 0 0 0—0
 Hits—Illinois 5, W. V. U. 4.
 Errors—Illinois 2, W. V. U. 5.
 Bases on Balls—Off Pfesser 2, off Gronniger, 0.
 Struck Out—By Pfesser 7, by Gronniger, 9.

Batteries—Pfesser and Zangerle; Gronniger and Houston.
 Umpire—Sutherland.

THE HAGUE, June 18.—It was learned to-day that Andrew Carnegie's donation for the erection of a temple of peace which has never been used on account of a squabble over a site for the building will be transferred to the General Peace committee for such disposition as they deem fit.

SOME BOYS

HAD BETTER BE GOOD OR THEY WILL GET IN TO TROUBLE.

Joe Wilfong, the man arrested by Officer Minear in the First ward, put up six dollars for his appearance but failed to appear.

Mrs. Martha Fleming, of the South Side, desires the arrest of the men who trespass on her property on Walnut avenue and the boys who break windows, etc. She did not know their names, but is keeping a careful watch and some arrests may be made soon.

Over the Teacups.

The diners at the Marietta watch a some jolly sport from under the tables this morning. While breakfast was being served two of the colored waiters got into an argument which brought them to the point of throwing teacups. The disturbance started in the kitchen, and was transferred to the dining room, where the excitement became so great that the diners decided that it would be more fun to witness it from beneath the tables. The waiters were ex-base ball players and threw straight to the mark but the teacups rattled harmlessly off their turrets and fell in pieces on the deck.

Artificial Limbs.

J. W. Thompson, of the National Artificial Limb and Brace Manufacturing Company, was in town, stopping at Skinner's Tavern. He is a veteran in his line of business, with an experience of over thirty-five years, besides he uses an artificial leg himself. His business address is 309 Smithfield street, Pittsburgh, Pa.

A Kick.

The people of the Fifth ward would appreciate and patronize a good meat market, if the salesman would keep doors open long enough after supper each evening in order to get a steak for breakfast, or open shop before 8 o'clock each morning. **Beefsteak.**

Brown Not Caught.

There seems to be no truth in statement that Brown, the man who escaped from the jail here some time ago, had been located in England. Nothing more has been heard about it.

The Fairmont base ball team played off here a show game last morning on its way to play the West Virginia team at the latter's home.—Clarksburg Telegram.
